

## What Is It?

1,000 Books Before Kindergarten is a reading program for parents and caregivers to read 1,000 books to their children before the child starts Kindergarten. Sign up and keep track of the books with a paper log or online.

## How Do I Sign Up?

The program begins on Monday, September 13, 2021. Any child, from birth until he or she enters Kindergarten, can be a part of the program! No library card required. Visit Kennedy Library or Maring-Hunt Library to sign up. Once you have signed up, you can use the printed log or can keep track of your reading by signing up online at [muncie.readsquared.com](http://muncie.readsquared.com). Every time you read 100 books, visit the library for a sticker and a new log to keep tracking the books you read. You can read 1,000 different books, or read favorites multiple times.
