

# ORIGAMI DRAGON BOOKMARK

What you'll need:

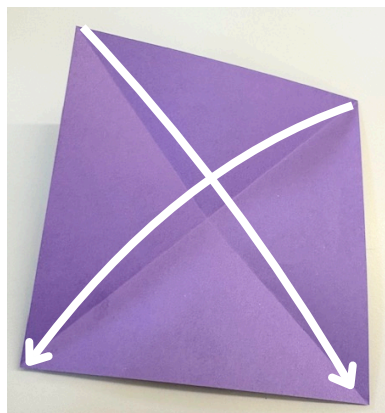

- Glue (optional)
- Scissors

What's included:

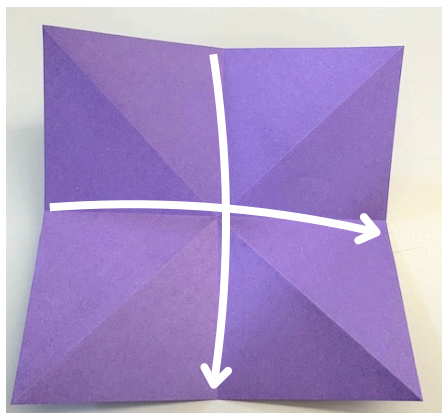

- Origami Paper

## Instructions:

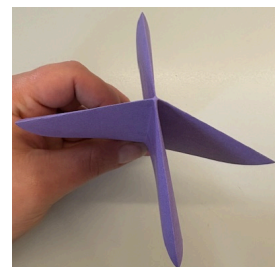

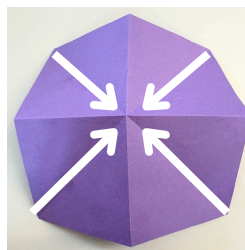

1. Fold your first paper across each corner

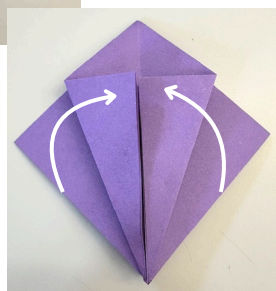

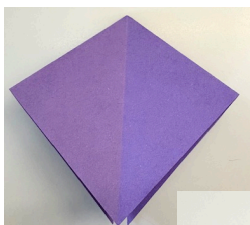

2. Flip the paper over and fold across each edge.

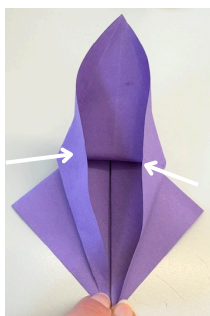

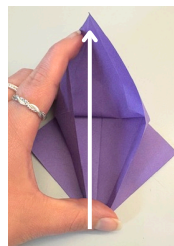

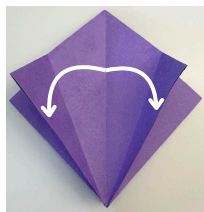

3. Flip the paper over again and push the corners in at the corner folds.

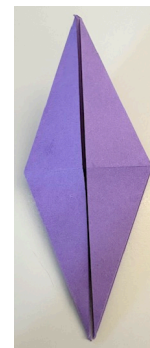

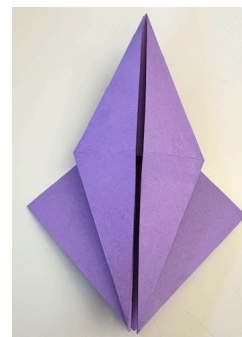

4. Lay down in diamond shape. Fold the top flaps inward.

5. Fold the flaps back out and pull the diamond open.

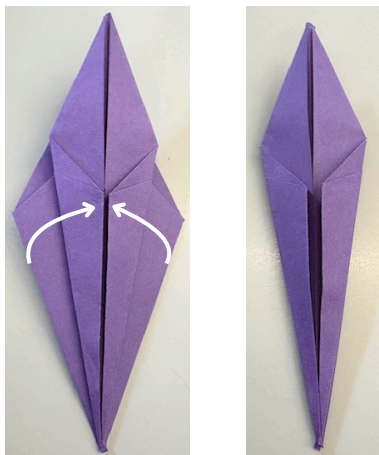

6. Flip the paper over and repeat 4 & 5.

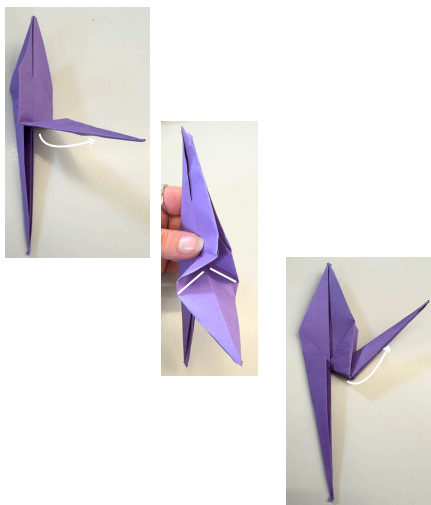

## Instructions:

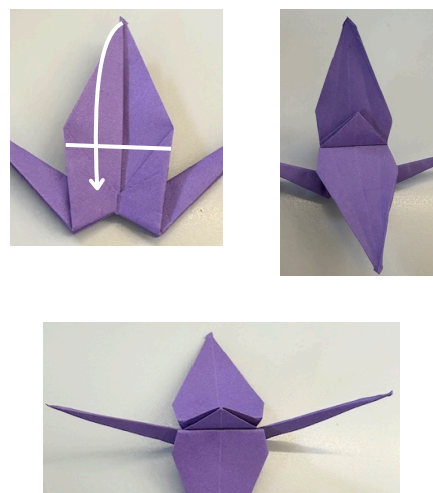

7. Fold the top flaps inward on both sides.

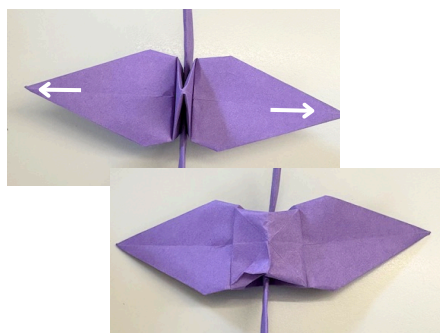

8. Fold the bottom spokes up and inward.

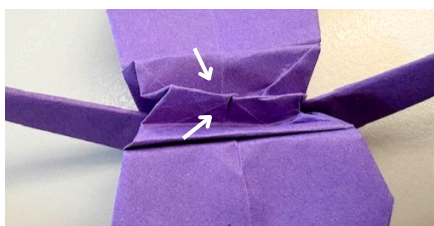

9. Fold the wings downward.

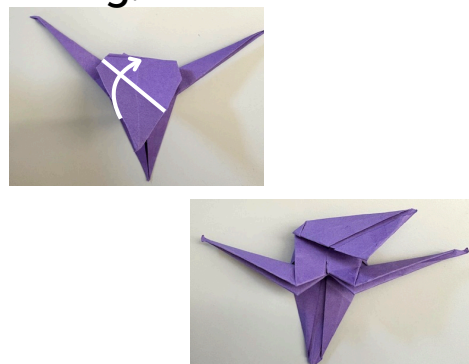

10. Pull at the wings gently until the middle comes almost flat.

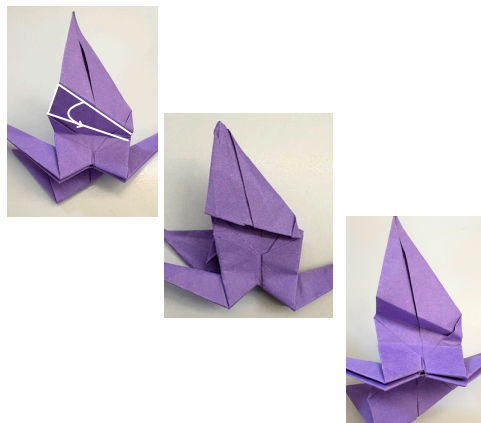

11. Pinch up the back to make a ridge.

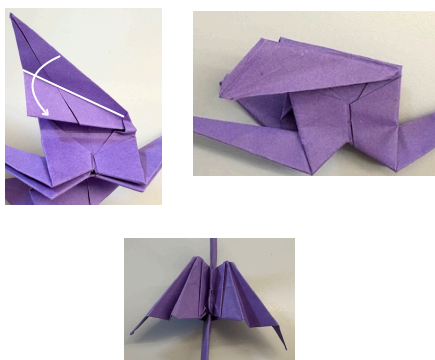

12. Fold the outer edge to the top of the wing.

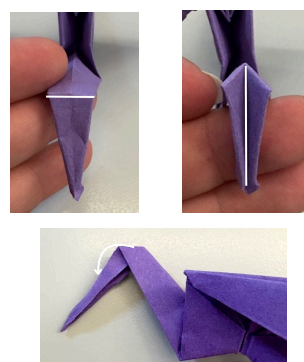

13. Open and fold the middle section in half.

14. Fold the outer edge down to the nearest crease.

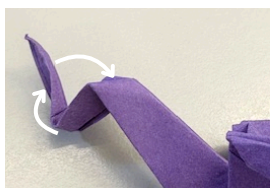

15. Fold the head spoke down and inward.

## Instructions:

16. Fold the tip of the head back and in.

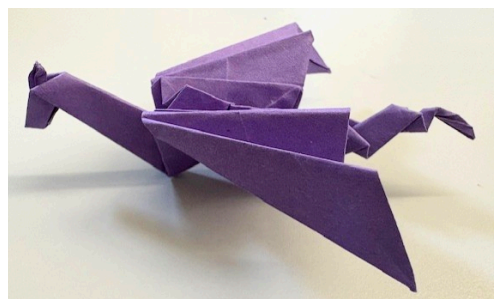

17. Make the tail spoke flat and push inward.

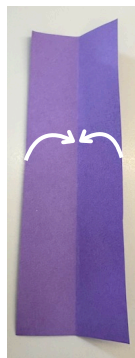

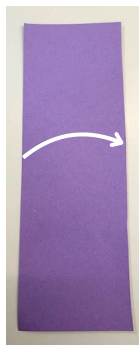

18. Fold the tail twice more, bending higher each time.

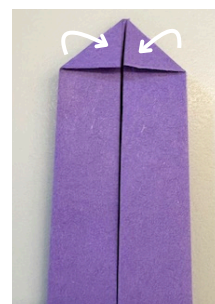

### FINISHED DRAGON

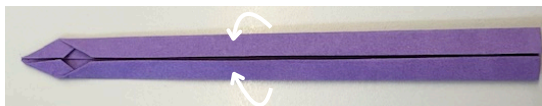

1. Cut off a third of your second paper. Fold in half. Fold each side inward.

2. Fold one end to the middle twice.

3. Fold the sides to the middle.

4. Cut a slit from the other end.

5. Slide the bookmark into the dragon. If it won't stay, apply some glue.
